

Othona News

2022 IS FULL OF EVENTS

We started the year slowly but surely with half term and working weekend, spending time with old and new friends.

In March we said goodbye to Tim who has been Othona's warden for 8 years. His farewell party was as fun and amazing as he is.

April has been a really busy month: we created -and tried- delicious chocolate, our lovely international volunteers made us travel for a week and Easter was eggsceptional !

ESSEX GREEN WEEKEND

For the first time, we had the honor to welcome The Essex Green Weekend. It was the true embodiment of Work, Study, Worship and Play !

We all together debate and talk about sustainability, global warming, premaculture and Othona's role in all of that.

We hope that you all enjoyed it as much as we did.
